

Eliane Maalouf

Student in Master in Statistics @UNINE | Scientific Researcher @HES-SO Valais | Speakers coach @TEDxMartigny

eliane.malouf@gmail.com

Résumé

I am interested in developing new tools for decision support in managerial contexts. While applied to real world applications, I am interested in Statistics, data management, semantic web technologies and forecasting. Currently, I am a student in the Master of Science in Statistics at the University of Neuchatel.

Projets

Audit de Parlement sans papier

octobre 2013 à décembre 2013

Members: Eliane Maalouf, Daniel Petitjean, Florian Evéquo, Maria Sokhn

Après la mise en production de notre parlement sans papier en mars 2013, nous allons évaluer l'impact de ce changement sur le fonctionnement de l'Institution et recueillir la satisfaction et les remarques des parlementaires, des partenaires (Conseillers d'Etat, media, responsables politiques, correspondants de l'Administration, etc.), citoyens, de façon formelle, grâce à un questionnaire en ligne et des entretiens personnalisés pour une présentation des résultats lors de la prochaine conférence de presse de la Présidence du Grand Conseil en janvier 2014.

Beat It !

mai 2014 à mai 2014

Members: Eliane Maalouf, Jacky Casas, Diana Affi, Joseph El Mallah

Application pour smartphone développée durant l'atelier Make "International Sports Hackdays" organisé par Opendata.ch. Cette application utilise les données ouvertes des transports publics suisses pour proposer un challenge à l'utilisateur comme "Es-tu capable d'arriver à l'arrêt de bus X avant le bus ? Il arrive dans 50 secondes."

Certifications

Gamification - University of PENNSYLVANIA, Online Course

Data Analysis and Statistical Inference - Duke University, online course

Langues

English	(Full professional proficiency)
French	(Full professional proficiency)
Arabic	(Native or bilingual proficiency)
German	(Elementary proficiency)

Formation

Université de Neuchâtel
